TECHNICAL SKILLS

- **Language :-** Java, JavaScript, Python, C, Kotlin, Web (Html CSS JS), MERN
- **Developer Tools :-** NodeJS, MongoDB, MySQL, ExpressJS, Postman, Git, AWS(EC2)

PROFESSIONAL EXPERIENCE

Calculator App 🔗

- **Description** : Developedafunctional and user-friendly calculator app forAndroidusingKotlin.The app supports basic arithmeticoperationsincludingaddition,subtraction, multiplication, and division
- **TechnologiesUsed** :Kotlin, AndroidSDK, XML forlayout design
- **Achievements** : Achieved a fully functional calculator app with real-time calculation results. Enhancedunderstanding of Android development practices and Kotlinprogramming. Demonstrated abilitytotranslate design requirementsinto aworking application.

Weather App 🔗

- **Description** : Developed a functional and user-friendly weather app for Android using Kotlin. The app provides real-time weather updates, supports location-based searches, and displays hourly and daily forecasts, enhancing user engagement with an intuitive interface.
- **TechnologiesUsed** : Kotlin, Android SDK, XML for layout design, Retrofit for API integration
- **Achievements** : Achieved a fully functional weather app that delivers accurate real-time weather data and forecasts. Enhanced understanding of Android development practices and Kotlin programming.Demonstrated ability to integrate third-party APIs and translate design requirements into a working application.

EDUCATION

R.D Engineering College, Ghaziabad
Bachelor of Technology
2021 – 2025

Columbia Convent Institute, Ghaziabad
Intermediate
2020 – 2021

ADDITIONAL INFORMATION

Languages: English, Hindi
Certifications:
- **Java Developer :-** TechnoHack 🔗 • 10/2023
- **PythonDeveloper :-** Codesoft 🔗 • 11/2023 , Oasis Infobyte 🔗 • 12/2023
- **Young IoT Prodigy :-** Infosys | Springboard 🔗 • 12/2023
- **ProblemSolving (Basic) :-** HackerRank 🔗 • 11/2023
- **Communication Skills :-** TCS ion🔗 • 11/2023
